Proposed MODIS-Atmosphere Collection 006 Change Document
# L2 Water Vapor   Version 27   (1/11/2010)

*Status Keyword List: [Not Started], [Investigating], [Coding], [Testing], [Dropped] or [Implemented]. Note: If no status keyword appears after an item, the status was not communicated to the author of this document.*

**Water Vapor (05_L2)**   (Updated 1/11/2010) Bo-Cai Gao

➢ Improve QA for the near-IR water vapor products, and thoroughly screen out pixels saturated over bright clouds.
